All,

As far as the hearing on the motion regarding the right of certain plaintiffs to proceed under pseudonyms, while I will be unable to attend such a hearing due to my geographical distance, I support the position of Mr. Fields' attorney and believe that if he does not consent to the matter being decided without a hearing that he has a good reason for this, and if he wants to argue the matter in front of the court then he should have the opportunity to do so.

As far as the confidentiality order, I had told you before that my main concern was that should I disclose any documents that I have the right to redact the names or personal information of anyone that is not named in this suit. Since your draft order stipulates that any party can designate certain information as "highly confidential" I think that this satisfies my concerns in that regard.

For the record I did not decline to comment on the confidentiality order, I was simply busy and traveling during the Christmas season and did not have the opportunity to look at things in detail. I was also trying to be magnanimous to all other parties involved in this and give everyone a bit of time to relax and enjoy their Christmas. In any case, I think the order is fine.

Thanks and Happy New Year,

Mike Peinovich

Mr. Campbell,

As no defendant opposed Plaintiffs' motion, we fail to see why a hearing on that motion would be necessary. We will be filing with the Court a notice that Plaintiffs and certain defendants believe the motion may be decided without a hearing.

- Other counsel/parties – Please let us know by 4 pm if you **do not** consent to joining a notice to the Court indicating that Plaintiffs and Defendants (excepting Mr. Fields) consent to proceeding without a hearing. We will be filing the notice this evening.

As for the confidentiality order, we await Mr. Peinovich's comments. Should you and other defendants wish you proceed without him, Plaintiffs are prepared to file on January 2 the draft circulated among the group on with a note to the Court that Mr. Peinovich had three weeks to provide comments and declined to do so.

All,

I do not consent to this motion being decided without a hearing. Also, what is going on with the confidentiality order?
